### MP Tilly O'Neill Gordon highlights the importance of International Volunteer Day

Ottawa, Ontario – On Sunday, December 5, we will celebrate International Volunteer Day. For Miramichi MP Tilly O'Neill Gordon, it is an opportunity to recognize the exceptional work of Canadian volunteers at home and around the world.

As you may know, over 75,000 Canadians have volunteered around the world for over 50 years. In 2008 alone, over 2,000 Canadians volunteered their time to help other communities.

“This day gives us the opportunity to reflect about the important role that volunteering plays in our society,” said Mrs. O'Neill Gordon.

According to a recent study, the work of volunteers around the world has positive repercussions not only abroad but also at home, because they are more likely to help people in their own communities.

“Helping others is one of Canada’s great values and our government recognizes the importance of volunteering,” said Tilly O'Neill Gordon. “As the Member of Parliament for Miramichi, I am proud to recognize the dedication of all the volunteers in New-Brunswick, especially those from the Miramichi riding.”

MP O'Neill Gordon invites you to send messages about volunteers in your entourage that you would like to honor for their devotion. We will publish your message in our monthly e-newsletter. Please send them to us at [oneilt@parl.gc.ca](mailto:oneilt@parl.gc.ca).
