**STAYING CONNECTED !
JUNE 2011**

THANK YOU!

Dear constituents,

In the month of May, we celebrated Mental Health week from May 1 to 7, Mother's Day on May 9, the International Day of Families on the 15th, National Missing Children's Day on the 25th and the International Day of United Nations Peacekeepers on the 29th.

The first sitting day of the 41st Parliament was on June 2, and my colleague Andrew Scheer was elected Speaker of the House of Commons.

His Excellency the Right Honourable David Johnston delivered the Speech from the Throne on June 3. If you would like to read his speech, I've included a link in the right-hand column of this newsletter.

Since Parliament reconvened, we have also tabled the new 2011 budget, the next phase of Canada's Economic Action Plan, which is a low-tax plan for jobs and growth. The budget aims to keep taxes low in order to stimulate the economy and create jobs. We are looking forward to getting back to work to serve Canadians.

To close, I would like to congratulate all the graduates of the high school class of 2011, as well as all the teachers who will be taking a well-earned retirement this year!

As always, if you have any questions or concerns, please do not hesitate to contact us by phone at 506-778-8448, or toll-free at 1-800-567-5564, or by email at oneilt@parl.gc.ca.

Yours sincerely,

Tilly

Here for all Canadians: Stability. Prosperity. Security.

His Excellency, the Right Honourable David Johnston, Governor General, delivered the Government's Speech from the Throne to open the 1st session of the 41st Parliament and outline the Government's agenda for Canadian families.

- Canadians chose a strong, stable, national Conservative Government that will deliver on improving the financial security of Canadian families and communities, investing in improving our healthcare system, defending the rights of law abiding citizens, and promoting Canadian values such as democracy, human rights and justice on the world stage.
- The economy remains our Government's top priority. Our focus will be to complete Canada's economic recovery.
- Our Government will be guided by the priorities of Canadians, by being:
 - *Here for jobs and growth;*
 - *Here to eliminate the deficit;*
 - *Here for hard-working families;*
 - *Here to stand on guard for Canada;*
 - *Here for law-abiding Canadians;*
 - *Here for communities and industries;*
 - *Here for integrity and accountability.*

Under the leadership of Prime Minister Stephen Harper, our Government will deliver on its commitments and be there for all Canadians – for individuals, for families and for all regions of the country – working together to move Canada forward.
