THANK YOU!

My dear constituents,

I wish to thank all voters for having once again shown their confidence in me and in the efforts put forward by a Conservative Government to better the region.

I am very proud to have been re-elected to represent citizens in the riding of Miramichi. It is an honour and I will meet the challenge posed by this new mandate with as much energy and focus as my first mandate. Since I was elected in 2008, I worked very hard to get things done for the Miramichi riding and the outcome of this election demonstrates that people appreciated what we've done here.

I also want to congratulate the candidates of other parties for their respective campaigns and for the spirited debates more than once throughout the campaign.

I have led a campaign that has not been easy. I gave myself the mandate to be present on the ground, increasing the attendance at public events and going to meet personally with voters door to door. Direct contact with citizens is very important to me as this is the best way to understand local issues and the concerns of the population.

Recently, the Honourable John Baird, Government House Leader, announced that the 41st Parliament will return on June 2nd, and a new Speaker of the House of Commons will be elected on the same day. His Excellency, the Right Honourable David Johnston, will read the Speech from the Throne on June 3rd.

On May 2nd, Canadians voted for a strong, stable Conservative majority Government. The Harper Government's number one priority remains the economy. Our focus will be to complete Canada's economic recovery.

We will re-introduce Budget 2011, the Next Phase of Canada's Economic Action Plan, to implement our low-tax plan for jobs and growth. We look forward to getting back to work for Canadians.

Cordially yours,

Tilly
